

# Cozmo Challenge

## Printable map: The Farm

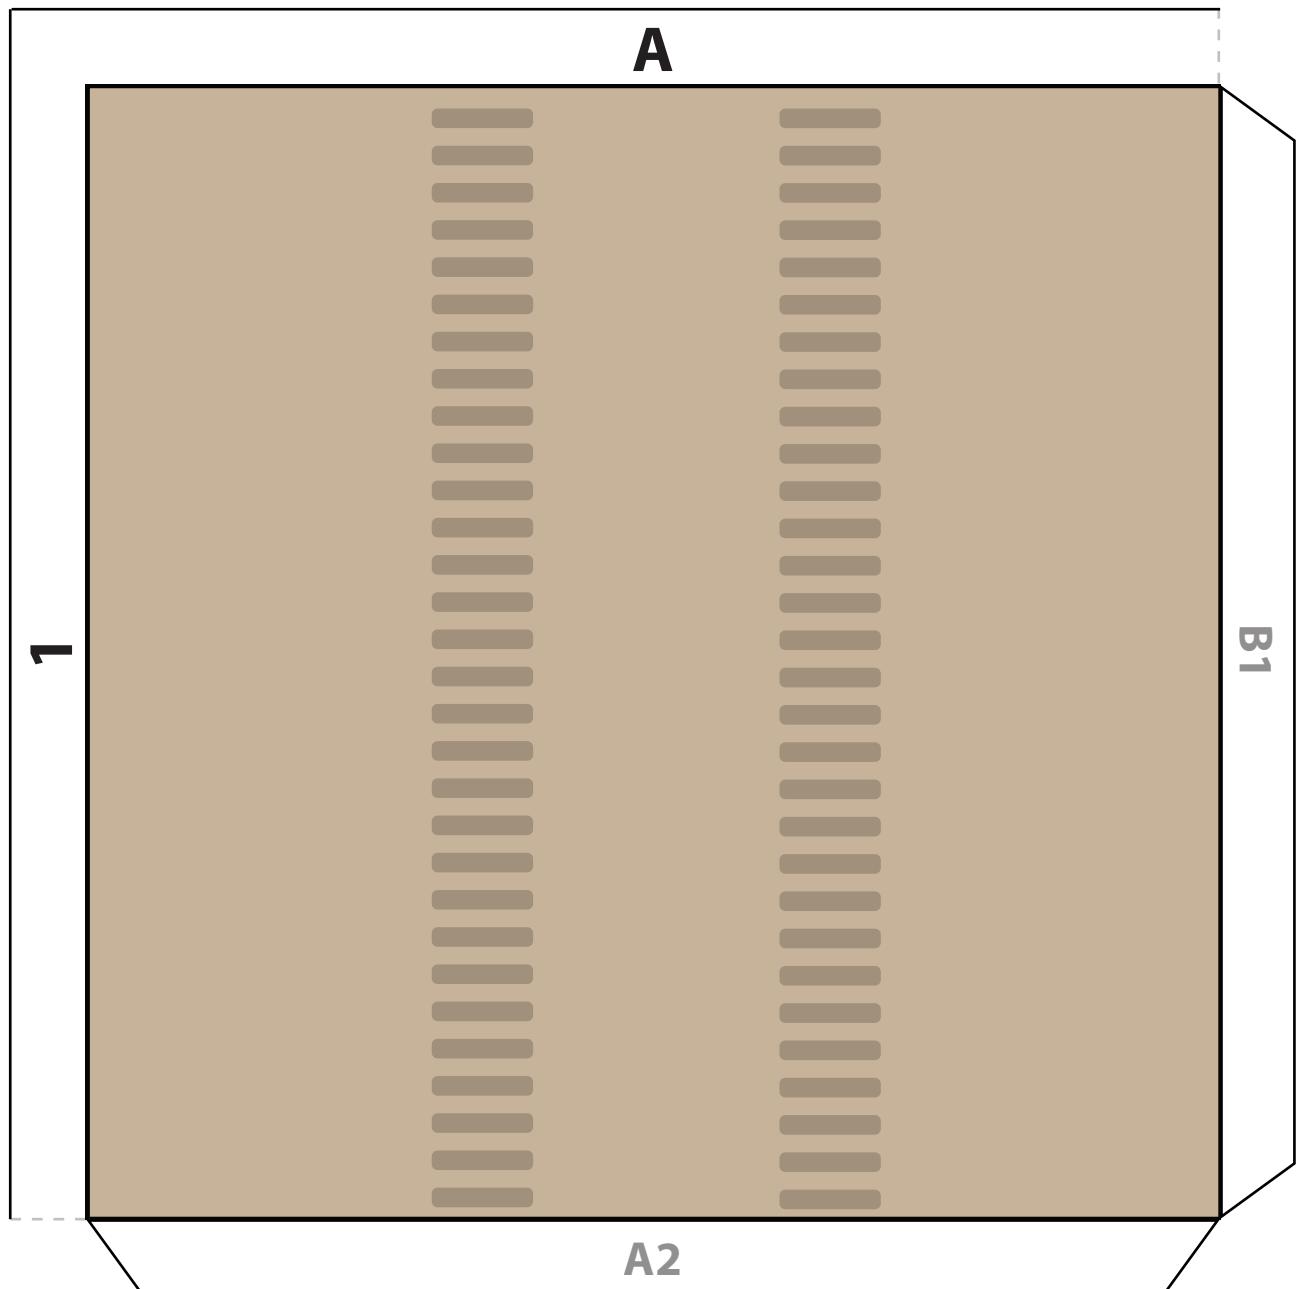

**Print instructions:** print at actual size in the printer settings or Cozmo will not move properly over your map!

This map is a supplement for a game where kids learn how to program. The software is available at <http://github.com/GrinningHermit/Cozmo-Challenge>. A Cozmo™ robot is needed to play, as well as knowledge of how to use the Cozmo™ SDK.

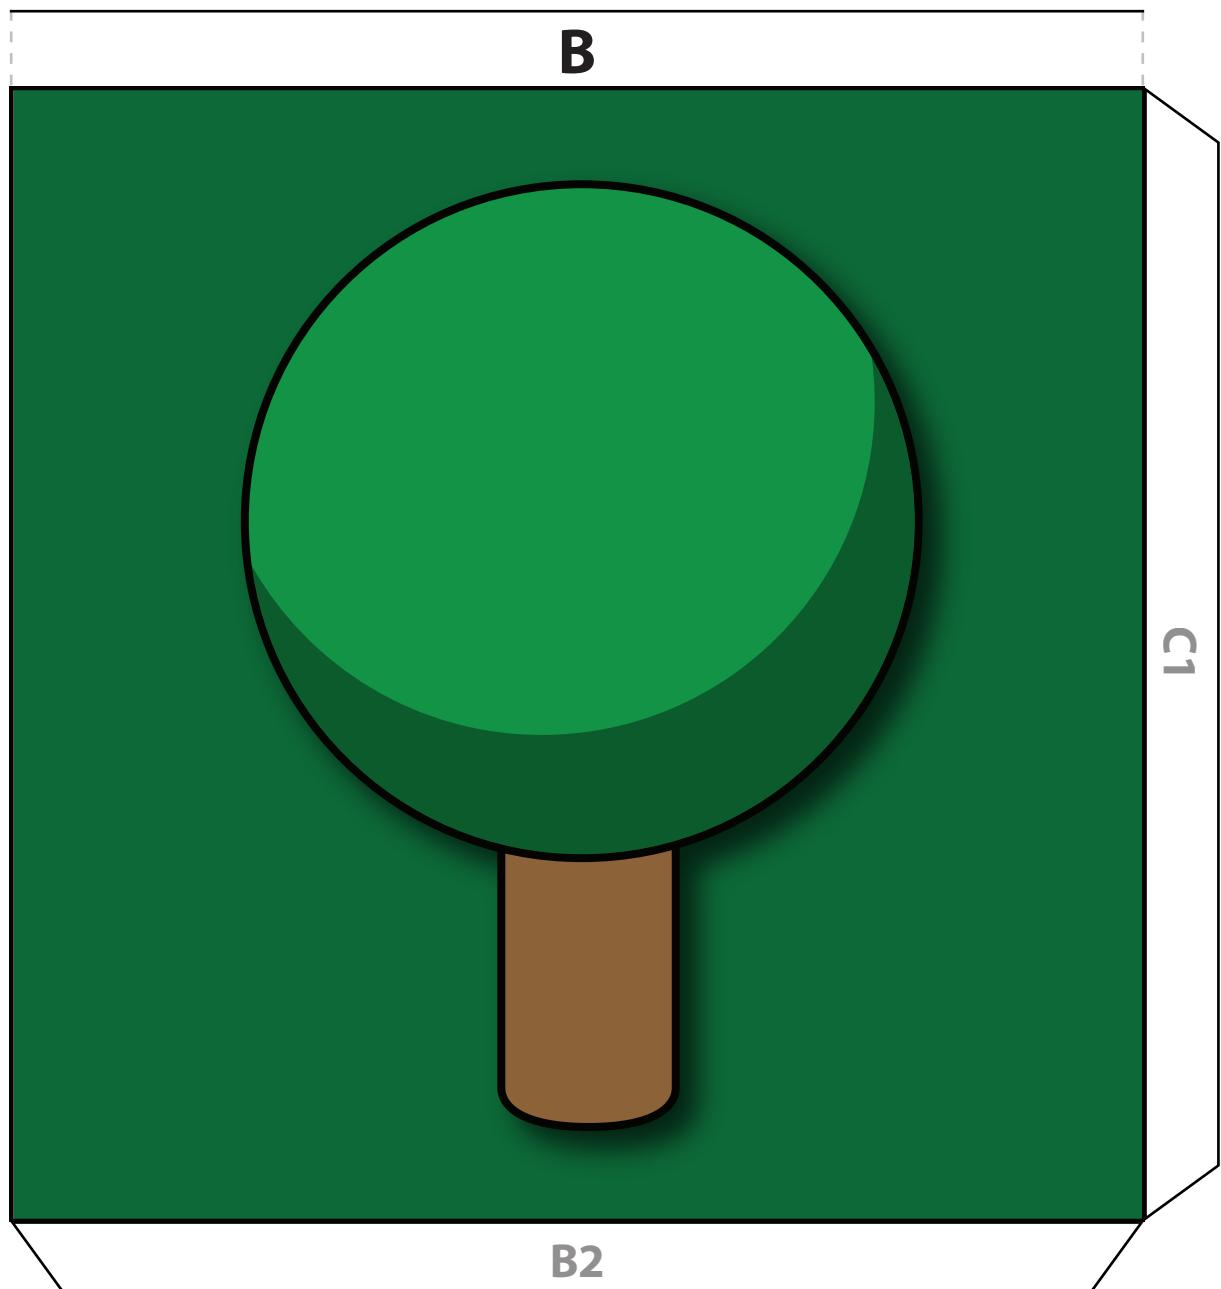

Animal visuals used in this map are obtained (as far as known) from creative commons zero (CC0) contributions. If not, please notify on <http://github.com/GrinningHermit/Cozmo-Challenge>.

Cozmo™ logo and the black&white icons are the property of Anki™ (<http://anki.com>)

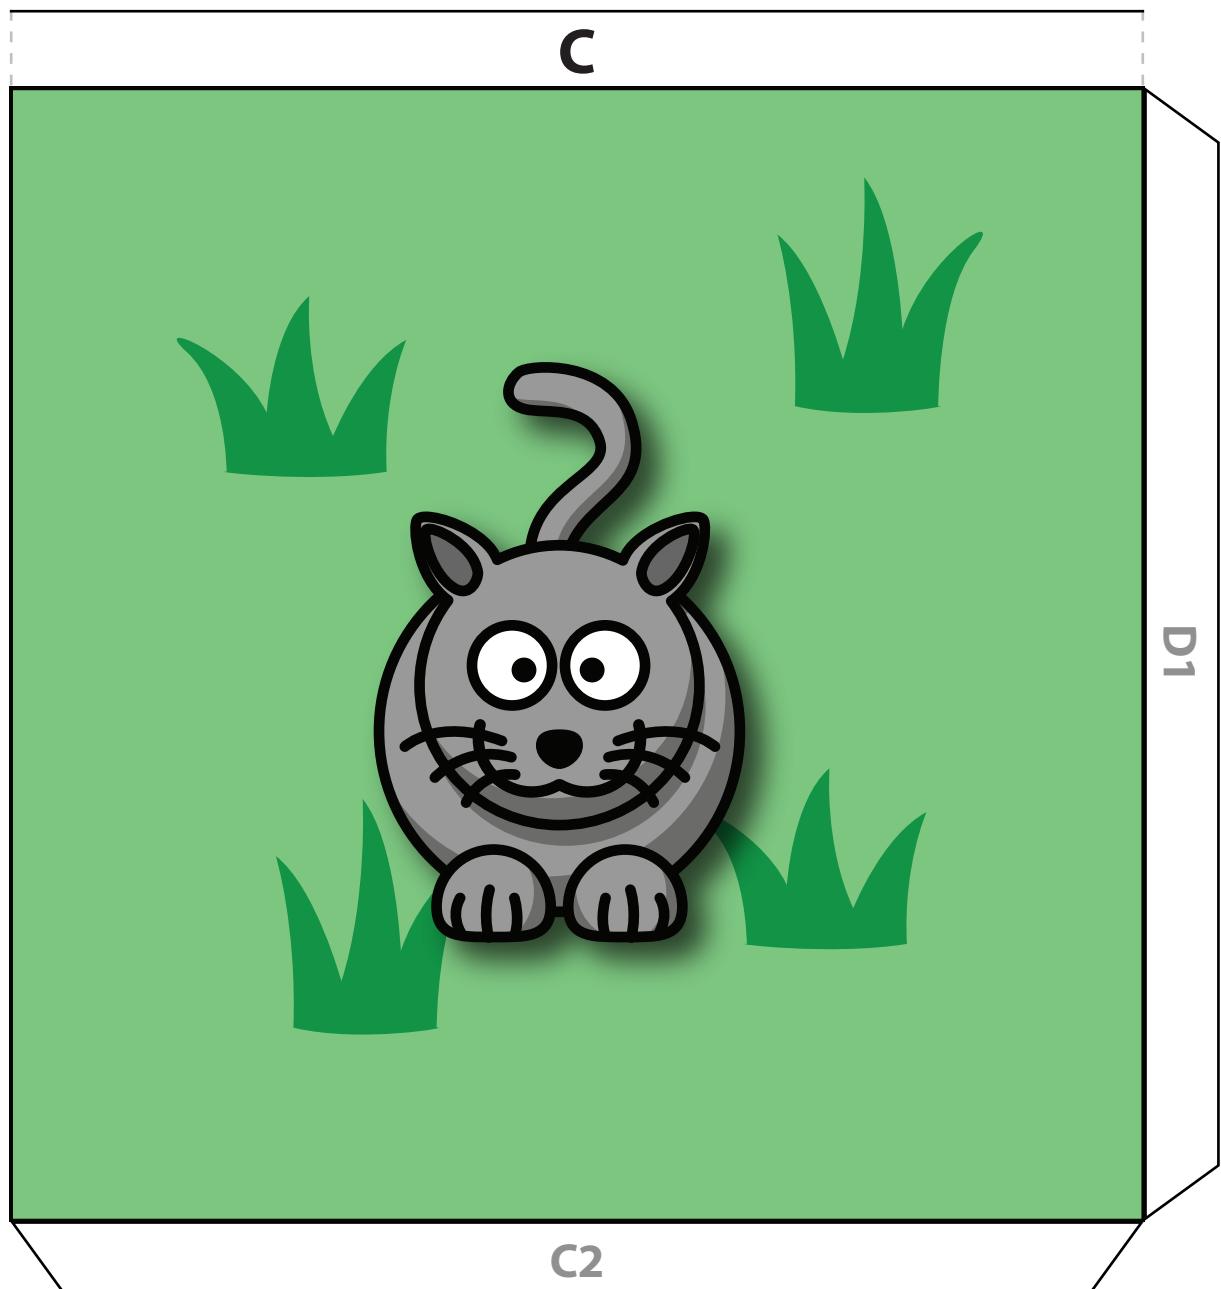

Other visuals were created specifically for the map and declared CC0: <https://creativecommons.org/publicdomain/zero/1.0>
